## Experiences of students from FG courses

„I just want to emphasize that S. is really the best teacher who taught all the necessary information. I was ready to learn German every day because I always knew that there was a friendly flair in the course and I could always ask for assistance if I didn't understand something. Thank you for my new knowledge. I was very happy to be a part of the course!“

## Experiences of students from EV courses

„This course helped me to improve my German. I thank my teacher for it“. I am very happy that I chose this course. Also, I am very happy that T. has been my teacher. She was really the best and most helpful teacher I had until today. I would like to thank everyone.“

„Thank you to everyone who participated in creating all the conditions for the course in the online format. I am especially grateful to our teacher! Thanks to her I learned to love German even more!“

## Experiences of students from AV courses

V. is a very good teacher, she explains the material well and always helps us, not only with the learning but also with the daily life (I mean we can always ask where and how to do something in Vienna). She is one of the friendliest people I have ever met. I am glad that she was my first teacher here in Vienna, because now I could get a positive impression of Austrians.“

“The teacher was so patient, and friendly.”

„I find this course very useful and very professional“.

„I think the German course is great. I liked it. I am very satisfied because I improved my German. My teacher was very polite and sweet. We learned so much.“
